

Explore Investment Opportunities at the **SelectUSA Seminar at BIO 2015**

Establish or Expand Your U.S. Presence

BIO is a premier event for companies actively seeking biotech and life science investment opportunities in the United States. The SelectUSA Investment seminar helps to connect you and your company directly with economic development organizations (EDOs). In addition to EDOs, the U.S. Commercial Service and SelectUSA connects businesses with state and local government officials, as well as regional economic development agencies who want to help you start or expand your operations in the United States.

SelectUSA Investment Seminar

Join our free seminar to network with EDOs while learning about the U.S. investment climate, legal protocols, visa programs, best practices, special incentives, and available services. The SelectUSA Investment Seminar will feature speakers from key regulatory and business leaders, providing insights to help your business succeed and thrive in the U.S.

Speakers include representatives from:

- The U.S. Patent and Trademark Office
- The U.S. Food and Drug Administration
- SelectUSA
- The U.S. State Department
- International tax lawyers
- Successful international biotech investors
